By LLM Reporters on 8th February 2019

Kishore and Smita Iyengar cheer this Valentine's season with award-winning fine world wines at some of the world's most outstanding, panoramic fine wining landmarks.

THE EVOLVE BACK KURUBA SAFARI LODGE – KABINI, KARNATAKA, INDIA

A magical evening is ensured with candlelit views across the river

Darkness has descended majestically on the quiet, distant meandering river, the silvery sheen of its waters casting a romantic spell as twosomes croon on the River Dining Deck overlooking the landscape. At this global award winning five star luxury resort lanterns cast a seductive glow on the dining platform decked with fragrant floral blooms that evening. A well picked Frontera Shiraz from Chile with raspberry, chocolate and mint aromas and a lingering, smooth finish of faint truffles, creates mesmerizing momentum to the amorous mirth.

The hills are silent too far across the world famous Nagarhole Game Reserve, the occasional growls from big cats a reminder of their nocturnal prowls. A fine dinner lights up with an exciting Wolf Blass Bilyara Shiraz from South Australia with distinct dark berries, rich spice and cardamom flavors aided by assertive tannins. As goblets clink in unison, the skies bow in acceptance, the evening stretches into a long and expectant night.
