We are delighted to inform you that Karnataka State borders are now open to incoming travelers from all states. We are eagerly looking forward to welcoming you. However, to continue to ensure a safe holiday environment for you and your family, we have introduced a new check-in procedure for our guests to follow. We request you to kindly familiarize yourselves with the same prior to your arrival at the resort.

With the implementation of our new hygiene protocols, we, at Evolve Back, have taken all possible steps to provide a safe environment for you and your family to enjoy a memorable holiday. These protocols have been formulated in consultation with the best of public health experts. For more information on our new hygiene protocols - Click Here

## Guest Check-in Regulations

• From time to time, the central and state governments in India prescribe certain guidelines for interstate and intra state travel. Before you travel, make sure you read, understand and fully comply with the currently existing guidelines for travel, applicable for your journey.

• The Karnataka State regulations, as on 24th August 2020, decree that people traveling to Karnataka will no longer be subject to e-passes, medical check-ups on entry, screening at receiving centers, hand stamping, 14-day Quarantines, isolation and testing on entry. As the Karnataka State regulations are subject to change periodically, please  Click here  to visit the state government website for further details on existing COVID-19 guidelines.

• On your arrival at the resort, our staff will follow the below steps:

- Check your temperature to see if the same is normal.
- Get a Declaration Form signed: please Click here to see the Declaration Form.
- Check the Aarogya Setu App. It is recommended for all guests traveling to have the Aarogya Setu App downloaded onto their mobiles. Guests should be marked 'SAFE' In the Aarogya Setu App.
